

## Receptions

Outdoor receptions for up to 200 can be held on Cloisters or New Building Lawns, with their backdrop of the beautiful College buildings and magnificent gardens. These lawns also provide the venue for pre-dinner receptions for events in the Hall in summer months. The Cloister or New Building Colonnade offer shelter if the weather is unpredictable on the day.

A selection of snacks or home-made canapés can be served alongside a traditional sparkling wine reception. Or why not serve Pimms cup to evoke the true Oxford experience!
